In considering the cited references, it may be noted by the Examiner that certain of the references may contain markings, underlinings, and/or other notations. Any such markings were either present on the copies of the cited references obtained by the associated individuals, or were made thereon during the study of the references by the associated individuals.

As this application was filed after June 30, 2003, copies of U.S. patents and/or U.S. patent application publications for national stage applications under 35 U.S.C. 371 cited on the attached Form PTO-SB/08A (modified), are not being provided as specified in 1276 *O.G.* 55 (5 August 2003).
